US APPEALS COURT: TRUMP IS NOT IMMUNE FROM PROSECUTION

A federal appeals panel ruled on Tuesday that former US president Donald Trump can face trial on charges that he plotted to overturn the results of the 2020 election, rejecting the former president's claims that he is immune from prosecution. The decision marks the second time that judges have spurned Trump's immunity arguments and held that he can be prosecuted for actions undertaken while in the White House and in the run-up to January 6, 2021.
